

"When a great organization like the Knights of Columbus decides to support Special Olympics, I know that God is looking after his children."

- Eunice Shriver

"Our support exemplifies our commitment to the dignity of every person, our

dedication to assisting with our neighbors' needs whatever they may be, and our deep appreciation for the great work done by Special Olympics."

- Supreme Knight Carl Anderson

MISSION

GA State Council Knights of Columbus assists Special Olympians and their families so that each and every athlete can pursue their dream of competing in the games.

VISION

To bring the financial and volunteer needs of Special Olympics Georgia to the forefront of every GA Knights of Columbus Council.

We can only make true our Mission and Vision with YOUR HELP. Please consider Special Olympics GA when planning your Council's next fund-raising event.

NEW for 2017! FEBRUARY TO BE SPECIAL OLYMPICS AWARENESS MONTH

The State of GA Council Knights of Columbus asks each local Council to host an event in February to benefit SOGA.

Be creative. There are hundreds of unique and fun ways to raise funds. (hint: Google creative fundraising).

Two Councils will receive Honor & Recognition at the 2017 State Convention in May; one award for the most funds raised and one award for the most creative event.

Details and guidelines will be sent to each Council.

It's not just about money. Although SOGA can certainly use funds throughout the entire year, the need for Volunteers and more specifically the call for Volunteers from the KNIGHTS OF COLUMBUS is a call that unfortunately is not always heard. Our Worthy State Deputy Mark McMullen has called upon the Georgia Knights of Columbus to have more of a presence not only at the Annual Winter, Summer and Fall Games but there are a number of other events throughout the year in which Councils can show support by way of Volunteering.

If you'd like your Council to be involved in any of the other "Non-Games" Events, simply contact Program Director John Cianfagione and he will help facilitate your efforts.
