

The FRONTLINE FAITH™ Project is an outreach ministry of Mary's Touch™, a nonprofit 501(c)(3) organization based in Austin, Texas.

The Georgia State Council of the Knights of Columbus is leading the efforts to help The FRONTLINE FAITH Project distribute compact MP3 players, preloaded with Catholic content, to members of our Armed Forces currently deployed or preparing for deployment, with special emphasis on injured troops and troops stationed in Afghanistan, Iraq, and other sensitive areas.

The FRONTLINE FAITH players provide nearly 7 hours of spiritual content, especially as it pertains to military service.

The FRONTLINE FAITH Players include a Mass, celebrated by Archbishop Timothy P. Broglio of the U.S. Archdiocese for the Military Services; a "Warrior Rosary," conceived by Lynda MacFarland, the wife of a career military man, using the Sorrowful Mysteries and recited by the auxiliary bishops and chaplain priests of the Archdiocese for the Military Services; and prayers written and recited by children. Other programming includes "Centurions of Rome," a presentation made by the late Archbishop Fulton J. Sheen at the U.S. Military Academy at West Point; "The Mass Explained" by Father Larry Richards; an examination of conscience; and two-and-a-half hours of stories about faith in military life, told by troops in their own words, including "The Grunt Padre," about Father Vincent Capodanno, Medal of Honor winner, and a tale of a soldier who carried the Eucharist into battle. Distribution of the FRONTLINE FAITH players has been arranged with the assistance of The Most Reverend Timothy P. Broglio, Archdiocese for the Military Services and Ch, Brigadier General Donald L. Rutherford, U.S. Army Deputy Chief of Chaplains. Further assistance has been provided by Ch, Lieutenant Colonel Gerald D. McManus, USAF.

While FRONTLINE FAITH is a Catholic initiative, this is an ecumenical endeavor. The MP3 players are given free of charge to every Soldier, Airman, Sailor, Guardsman, and Marine who wishes to receive one as a powerful tool for evangelizing our Catholic faith.

"What a GREAT idea these MP3 players are. Our soldiers find the players are really valuable to take out of their pockets and listen to them during down time. Most of will be deployed shortly after their training is completed here and the players will go with them. I have an eager group of soldiers who would love to have one. Please send what you can when you can. They are greatly appreciated and a very valuable Spiritual asset for our men and women in uniform. Please know that your ministry is making a difference in the lives of our soldiers."

"The preloaded MP3 player has excellent content with real spiritual nourishment and support for our troops and supporting civilians. Most of our folks can get to Mass only every five to ten weeks. The MP3 helps fill the gap and is the type of media our young service members appreciate and enjoy....A big Thank You for your spiritual care and support for America's true Heroes and Heroines!"
