FAITH:

Today the Church celebrates the Feast of the Sacred Heart of Jesus.

On the Solemnity of the Sacred Heart of Jesus we are called to reflect on the love that God has for us. Many saints have had a devotion to the wounded heart of Jesus, writing reflections on Jesus' love. The devotion was popularized by St. Mary Margaret Alacoque in the 1600s, including her image of the Sacred Heart and the 12 promises of the Sacred Heart. Today let us focus on the Sacred Heart, and not only see a heart with the wounds of Jesus' suffering and death, but see His heart consumed with love for us.

“In the Sacred Heart every treasure of wisdom and knowledge is hidden. In that Divine Heart beats God's infinite love for everyone, for each one of us individually.” -St. John Paul II

UNITY:

Yesterday the USCCB united all of us by consecrating the United States of America to the Sacred Heart of Jesus. Our own Supreme Chaplain Archbishop William E Lori was the homilist for the Consecration Mass held in Orlando ([Archbishop Lori Homily](#)).

The world will be in Atlanta in the coming weeks. Beginning June 15, The Quest Atlanta Catholic Radio Outreach will have a Catholic booth at the former CNN Center during the FIFA World Cup festivities. Thousands of visitors from around the world are expected to pass through, creating a unique opportunity for evangelization. Let us show our unity of Faith by volunteering to serve a four-hour shift, offering a welcoming presence, answering questions, and helping represent the Church with faith and charity.
